Society for Community Organization

SoCO needs your help!

SOS CORONAVIRUS APPEAL

For the past few weeks SoCO has been working around the clock to serve Hong Kong's disadvantaged communities by mobilising resources and appealing to the community to lend a helping hand.

Since the Lunar New Year, we have distributed protective gear and delivered Coronavirus information to over 10,000 people including the elderly, grassroots workers, at risk women and children, chronic patients, street sleepers, etc.

WE STILL NEED YOUR HELP - PLEASE SUPPORT OUR VITAL WORK.

WE NEED MASKS:

60,000 adult masks
100,000 child masks

WE NEED DONATIONS:

\$450,000 towards 300,000 adult masks for delivery May/June.
\$100,000 for materials for our sewing team who are making 5000 cotton masks.

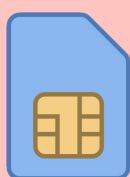

WE NEED COMPUTERS:

150 laptop computers

Children living in cubicle and sub-divided flats need laptop computers well equipped with software. We will lend these laptops to children in need for use at home or in our centre.

Please donate an old computer or funds for us to purchase them.

Thank you!

WE NEED SIM CARDS:

Just **\$100** buys one SIM card
We need **400**

Although the Jockey Club and the Government have covered the cost for most students in need, kindergartens and other educational groups are still desperately short of SIM cards.

USED SMART PHONES:

If there is no wifi or laptop in the home, phones are vital for staying on top of schoolwork. If you have a spare phone, help us put it good use.

VOUCHER DONATIONS:

\$25 general food vouchers
\$50 supermarket vouchers
\$1000 and **\$2000** rent vouchers

We also need general funding for the over **1000** under-employed and unemployed households in Hong Kong.

For donated items please deliver to SoCO's Sham Shui Po office.

See website for address:

<https://soco.org.hk>

You can contact us in advance to make delivery arrangements:

Whatsapp 9152 4331 / Email soco@pacific.net.hk / @socohk

For cash donations, please transfer to our HSBC account:

The Society For Community Organization Limited 017-3-063009

(As this donation is tax deductible, please WhatsApp Ms Sze on 9152 4331 for receipt.)

We also need volunteers to help pick up donated items, install computer software, help deliver protection equipment and other outreach. Contact us today!
