Despite the existence of disputes in the society and of ups and downs in life, worries are inevitable.

The life of the grass roots is even harder. More people are living from hand to mouth. However, they still struggle painstakingly for survival. Every life, it is firmly believed, is valuable.

The concert is to convey love and energy. Together with you, it clears worries and overcomes hurdles!

You are sincerely invited to donate and attend the charity concert in order to relieve the poverty of the have-nots community!

Please sponsor the have-nots community, who never had the opportunity to attend concerts, to sing together and transmit jointly the message that life is valuable!
